

Getting to the Junction & Breakwater Trail

To start the "Loop" on the Junction & Breakwater Trail from either Atlantic Cycles location:

- Go to 1st Street from Virginia or Wilmington Avenues and turn right
- Continue on 1st Street, cross the Lake Gerar bridge and turn left after the bridge onto 2nd Street
- Follow 2nd Street to Henlopen Avenue (note that 2nd Street takes a small left-right jog crossing Oak Avenue)
- Turn left onto Henlopen Avenue and follow it to Grove Park
- Ride through Grove Park to Rehoboth Avenue
- Turn right onto Rehoboth Avenue (we suggest walking across the bridge) to the bike lane
- Turn right at the traffic light onto Church Street
- Follow the bike path left onto Canal Crossing Road
- At the next intersection (Road 273) turn left
- The Junction & Breakwater Trail will be about 300 yards on your right
